

## Two pieces of advice to my boss

Make a cross for the two of them, which are most justified!

	1. Give more encouragement
	2. Give more attention to discipline
	3. Listen more to ideas from others
	4. Give your employees more responsibility
	5. Pay less attention to details
	6. Be more diplomatic
	7. Be less afraid to criticize
	8. Use more of your time for the employees
	9. Plan more
	10. Be more involved in the practical work
	11. Give more clear answers and instructions
	12. Be less afraid to make decisions
	13. Use the resources better
	14. Make decisions faster
	15.
	16.
	17.

If you come up with other advices, which are not on the list, write them down on the empty lines.
